

Kaysville Clinic Direct Care Contract- Attachment A

Membership Benefits

1. Discounted Visit Fees--pay \$10 for a 15 minute visit. In most cases this is less than the cost of a copay with traditional insurance.
2. Discounted Minor Surgery/Injury Fees--pay \$20 for each 15 minute increment. This includes caring for lacerations.
3. Discounted Physicals--pay \$20 for physical exams
4. Patient Portal Access---You will have access to our patient portal where you can:
 - a. use the message function to communicate with clinic staff
 - b. schedule, confirm, cancel or reschedule an appointment
 - c. obtain laboratory and diagnostic results
 - d. view medication lists and request results
 - e. view or print health summary information
 - f. request staff to update information
 - g. address billing issues
 - h. obtain email reminders of upcoming appointments
5. Discounted Patient Portal Visits--\$10 per visit (non members pay \$30)
6. Direct Phone Access (no middle man) to Dr. Kamalu 24/7 for care consultation at \$10 per call.
7. Free Blood Draws
8. Free Urinalysis and Strep Tests
9. Discounted injections--cost of medication only with payment of office visit.
10. Expedited appointments--slots are reserved each day for Direct Care Members only. You should be able to obtain an appointment same day if you call first thing in the morning. After 10am appointments are given away to any patient irrespective of membership.
11. After Hours Face to Face Visits--\$50, must be arranged by phone with Dr. Kamalu. This could be for something urgent or for injuries. A good way to avoid costly emergency room visits.*

****Perhaps the greatest benefit of membership may be the potential to avoid costly emergency room visits through enhanced access. One call to Dr. Kamalu may save you a lot of money. A single emergency room visit could cost more than a year's membership fee.***
